Thanks for all of the info, it helps. Just a couple more and I promise I will not bug you anymore, at least until Monday. Lol

Do we have drafts of the Action Memo, Fact Sheet, and/or the Communication Plan? Also, I have attached a transmission sheet that we use for OMB review – it lists all of the items required, etc. It also has a place for us to write a short statement of why we want this expedited. If someone could add some language, that would be great. And last but not least, Janet likes a “Post-It” note as the first thing to a package she sees. I have provided an example – we should state here also about expedited review.

I am not in the office tomorrow but will get the package circulated to our front office on Monday. Please let me know if you have any questions. thx much rc

Ps – I have made some edits to the preamble and reg text – nothing major – but take a look at it and let me know if you have any issues with anything – I just did a quick review knowing that we are in a time crunch. Also, let me know if I need to send this to Rick Vetter for his review and/or concurrence. Thx again

Hi Dee – Thanks for the memo and the updated version. Couple of questions – the Administrator is signing, correct (not the RA)? And, has the ICR been submitted to OEI? Also, we will need to include updated language for EO 12866 – this action was determined significant by OMB on 2/1/16.

Thx rc

Hi Regina,

As we chatted about earlier today, I am attaching a revised version of the U&O FIP, which includes further comments from OAQPS, and the signed transmittal letter. Let me know if you have any questions or need anything else from this end.

Thanks!

Dee
